Cover Letter

To AB Effektiv, Västerås

I am writing to express my strong interest in the warehouse worker position in Västerås. My name is Hampus Andersson, and I am a reliable and responsible individual with extensive experience in physical work and warehouse operations. Having worked several years in retail and warehouse environments, I feel well-prepared to contribute to an efficient and safe workflow in your operation.

Relevant Experience and Work Approach

During my time at Gekås Ullared AB (2017-2023), I worked extensively with order picking, packing, and warehouse management in a high-tempo environment with large volumes. I have daily experience handling incoming and outgoing goods, returns processing, and ensuring all work methods follow company quality and safety procedures. This has given me a deep understanding of the importance of accuracy, efficiency, and teamwork within warehouse operations.

Flexibility and Responsibility

I am accustomed to shift work and am completely flexible regarding work hours – both day and evening shifts suit me perfectly. As a person, I am responsible and goal-oriented with a strong work ethic. I thrive in physically demanding work and am in good physical condition, which allows me to maintain high productivity even during long and intensive workdays.

Team Spirit and Communication

I am fluent in Swedish in both speech and writing and have always prioritized clear communication with colleagues and supervisors. I see great value in being part of a team where everyone contributes to the common goal. My experience has taught me that a well-functioning warehouse requires everyone to take responsibility for their part and support each other when needed.

Forklift License and Development Opportunities

Although I do not currently hold a forklift license, I am highly motivated to complete forklift operator training upon employment. I see this as a natural part of my development within warehouse and logistics and am ready to invest in this competency to become an even more valuable employee.

I am confident that my combination of practical experience, strong work ethic, and genuine interest in warehouse work makes me an excellent candidate for your operation. I look forward

to the opportunity to contribute to Team Effektiv while continuing to develop within an area I truly enjoy.

Thank you for taking the time to read my letter. I look forward to hearing from you and having the opportunity to present myself in more detail.

Kind regards,

Hampus Andersson
